

EyeOnSafety.info

*Your one-stop source for workplace safety and health
visual resources for hazard awareness and prevention*

Features:

- Video shorts — entertaining one-minute videos to raise awareness.
- Investigation stories — quick, narrated accounts of real incidents that killed or injured workers.
- Training videos from L&I, YouTube and other sources.
- Several available in Spanish.

Remember: Keep your eye on safety! Use these online visual resources in your safety meetings and for training purposes and raising awareness about workplace hazards.
